Enter your tie breaker, check the 'Email me a copy' box, and click on the submit picks' button. If there is a problem with your entry, the pick entry software will provide help at this time to ensure that your picks are filled out correctly. After clicking on the 'submit picks' button, you must wait until the 'your picks have been processed successfully' page appears. If you check the 'Email me a copy' box, the software will also send an HTML or text formatted copy of your picks to the Email address you entered. In the event another college football bowl game is cancelled, no points will be awarded. To correct picks, all will be renumbered (1 pt less for each game) starting from the highest value back to the number you had on the cancelled game.
